

Spectra Glaze® Light Reflectance Colors

LR stands for light reflectance. It is a measure of the percentage of light which is reflected for any given concrete masonry unit. Typically, the whiter and smoother the CMU, the higher the LR value.

Standard Color Series

S-1 Special Black™ LR 5	S-2/Special Gray Flannel™ LR 6	S-3 Deep Frost™ LR 15	S-4 Light Frost™ LR 25	S-5 Heather™ LR 45	S-6 Custom Clear™ LR 54
